Session 2 Handout 4

REFLECTION QUESTIONS FOR WEEK TWO

STORY TELLING RHYTHM

How do I listen to others when they speak?

What is happening in my life? How am I hearing what is happening in my life?

Do I read the readings in preparation for the Eucharistic Celebration?

Do I ask God to help me listen when the readings are being proclaimed?

Having listened to the Word of God, how is God calling me this week\this day?

What does it mean to be attentive to the Storytelling rhythm outside of and beyond the actual Eucharistic liturgy?
